My Learning Plan Update:

Effective immediately, you must sign up on MLP prior to Act 80 or in-service days. You will not receive Act 48 credit if you are not signed up on MLP. Additionally, you must sign up at least one day in advance in order to receive credit and will not be able to sign up the day of the meeting.

Act 48:

It is your responsibility to make sure that your Act 48 hours are up to date. You should periodically check your Act 48 hours using the following website:

<https://www.perms.ed.state.pa.us/screens/wfpublicaccess.aspx>

Level 2 Certification:

Employees are responsible for applying for their Level 2 certification before 6 years of service. Level 2s take a long time to process, so make sure you apply early!

Visit the REA website for links to information about Level 2 certification. I can also assist you with any questions you may have.

In-Service Days:

Please let me know if you have any suggestions for professional development topics for future in-service days or if you have any instructional concerns. I will forward any suggestions to the PD Council.
