

#9 RHS Officer's Report

May 2017

THE END IS NEAR. Final schedule and times will be sent to teachers 5/5. The students are testing and a full schedule will be run. Class will be 15 to 26 minutes long depending on the day. The only ½ days are May 24th and the last student day.

The students are getting more rambunctious than normal. Try to keep calm. Smile and nod (it drives them crazy). Think before you speak. Harsh words have consequences.

Respectfully submitted
