

RHS Officer's Report

October 2016

A building meeting was held on Oct. 5th. Attendance was poor. The following issues were discussed.

1. The paycheck reflecting the new contract should be the first paycheck in November. Please check carefully to make sure you are on the correct column and on the correct step.
2. Health care premiums will also change. Please make sure you are paying the correct amount.
3. The increase in premiums from the first pay of the new school year to the paycheck check of Oct. 28th will be taken out of the retro pay for this time period.
4. Please update your personal e-mail address with Jeremy Lowther.
5. Please contact Flora Quevedo if you did not receive a building meeting schedule.

Respectfully Submitted,
