Help Wanted!

The Professional Development Council is in need of a secondary teacher representative! Responsibilities include attending one meeting a month and providing input for professional development sessions. Please email crabbsa@readingsd.org if you are interested.

Act 48:

While everyone's cycle years are different, many teachers' hours are due June 2017. It is your responsibility to make sure that your Act 48 hours are up to date. You should periodically check your Act 48 hours using the following website: <https://www.perms.ed.state.pa.us/screens/wfpublicaccess.aspx>

Level 2 Certification:

Employees are responsible for applying for their Level 2 certification before 6 years of service. Level 2s take a long time to process, so make sure you apply early!

Visit the REA website for links to information about Level 2 certification. I can also assist you with any questions you may have.

In-Service Days:

Please let me know if you have any suggestions for professional development topics for future in-service days or if you have any instructional concerns. I will forward any suggestions to the PD Council.
