

## SAC Report

April 2017

Next SAC meeting will be held on Thursday May 25, 2017.

1) Several Special Education items were addressed, many dealing with the results of the audit and teacher input on the action plan. Administration is working on the changes they need to do and then will seek teacher input.

2) Lindsay asked if there was a list of approved educational institutions for tuition reimbursement. Karen Gokay has a partial list. Teachers can check on [www.ncate.org](http://www.ncate.org) for a more complete list.

3) In order to fail a student with an IEP, all accommodations must be met and documented. Also, any extra help given by the teacher must be documented.

4) Please have SAC agenda items to your level VP by Wednesday May 17, 2017.

Next meeting scheduled for Thursday 09/28/17. Please get any agenda items to me by Wednesday 09/20/17.

Respectfully,

*Brian K Miller*
